

Announcement of Chiang Mai University

Subject: The List of Accepted Candidates for Graduate Studies

Second Semester, Academic Year 2026

Chiang Mai University would like to announce that the following candidates **(185 persons)** have passed the admission process and are eligible to register for the second semester of the academic year 2026 (starting from November 2026) as in the attached list.

1. **Registration as a student**

The above accepted candidates must register as a student and finish the tuition fees payment in accordance with the relevant Chiang Mai University regulations. Only upon completion of these steps by the specified date and time will the registration be considered complete and valid.

If selected for more than one major, applicants may register, but only for a combination of one track 1 major (regular time schedule) and one track 2 major (special time schedule). Dual registration in two track 1 major (regular time schedule) or two track 2 major (special time schedule) is not allowed.

2. **Date, time, tuition fee payment, and registration process**

The registration system can be found at https://stdinfo.reg.cmu.ac.th/graduate/index.php The system will be opened on November 11, 2026, at 08:30 AM (UTC+07:00). The candidates must fill out the form, submit and finish the tuition fees payment within 11:00 PM (UTC+07:00) of November 11, 2026. Those who fail to register within the specified deadline will be considered waiving their offers of admission, and the University will call upon alternate candidates to register (if any).

3. **Required Documents for Registration**

Accepted candidates must submit all relevant evidence for the university-designated registration on the scheduled date and time. If the evidence is not complete, the university will not accept the registration, except for those who expect to graduate in the academic year 2026, and will be completely graduate before the first day of semester, in accordance with Chiang Mai University's Academic Schedule (November 16, 2026). They will be allowed to submit the graduation evidence within the first semester of studying.

Accepted candidates must upload the following documents into the registration system on the Registration Office website.

3.1 **Front-facing photo for ID card:** (JPG files only)

3.2 **Identity verification photo:** A front-facing photo taken together with a national ID card (or a passport in case of non-Thai citizen) is required for identity verification. (do not write or strike out any

information on card because the verification of the information is required). For more details, please visit https://cmu.to/photoen

3.3 **Complete version of transcript:** (PDF file only)

- For those who have graduated, a PDF scan of an original Transcript or digital document issued by the academic institution, showing a graduation date of their bachelor's degree or master's degree is required.

- For those graduating in the academic year 2026, a PDF scan of the latest version of their transcript or digital document issued by the academic institution of their bachelor's or master's degree must be submitted.

Note: For foreigner (non-Thai citizen):

- Submit the English version of the official transcript and the official transcript in the original language (if available).

- Selected international candidates are required to upload their passport in the registration system. If a passport is not yet available, the university will grant a temporary deferral for its submission.

Note:

1) Once a selected candidate has complete the registration process and a CMU account has been created. The student will be able to access the internet and library services. Health services will be available after the student has completed course enrollment or university service enrollment.
2) If a selected candidate is unable to complete the online registration process by the specified date, they must inform their department/faculty/institute/college, who will then notify the Registration Office to request a special extension for late registration.
3) Government officials or personnel who have been selected for admission to a regular program must submit a referral letter and a leave approval letter from their organization directly to the faculty/institute/college where they have been admitted.

4. Student Enrollment Fee

Accepted candidates must pay the tuition fee of the second semester, academic year 2026 as a package payment one semester or year-based program on the student registration day. Exceptions may apply to students who meet the specified criteria for "readmission to Chiang Mai University". They must submit a Checklist for Graduate Program's Consideration of Student Readmission to the department at least 7 working days and pay the full tuition fee.

For more details of tuition fee, please visit https://cmu.to/Gradtuitionfee2026
