You must complete this section before proceeding to the second section.

5

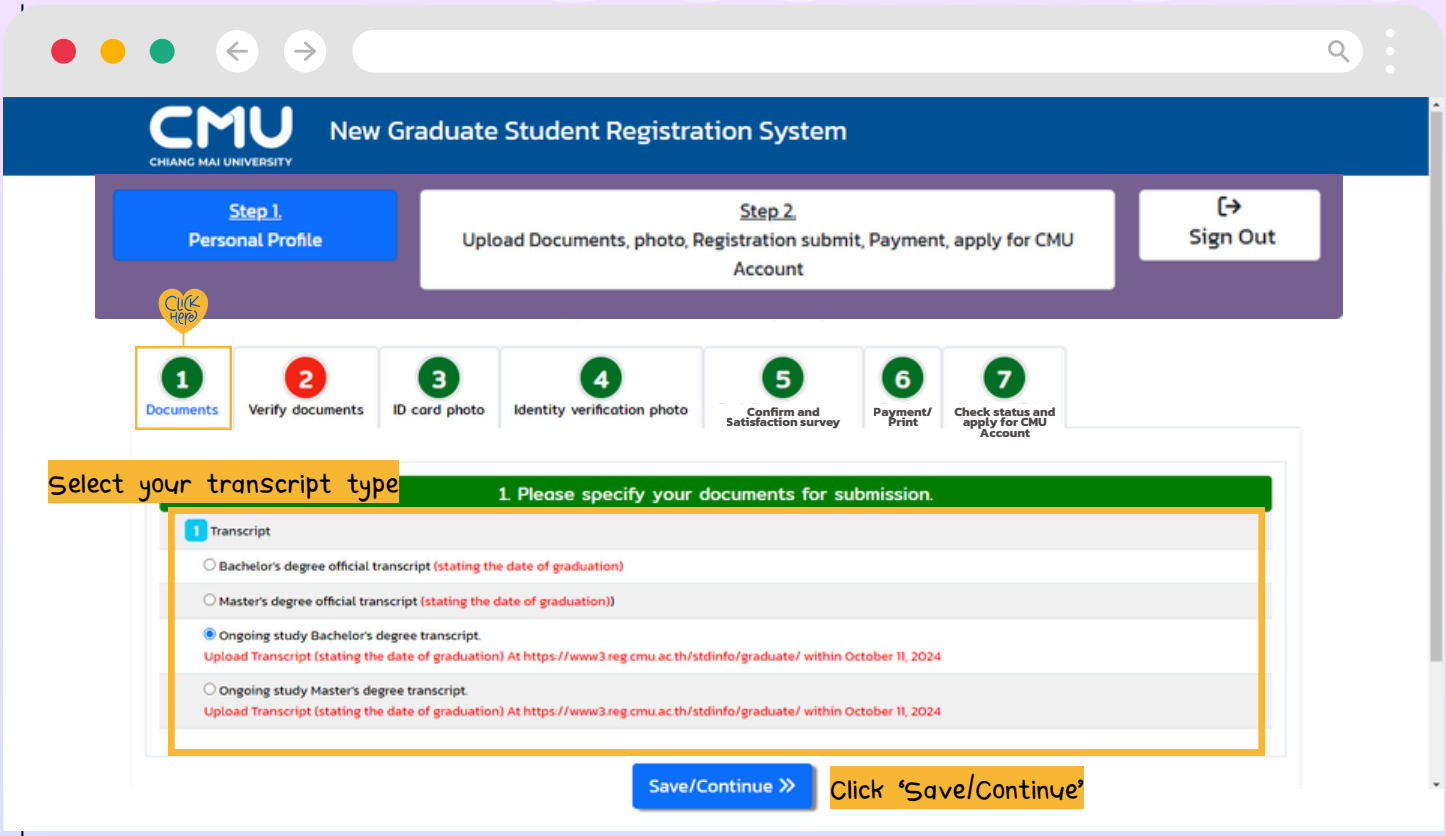

Upload Document, Upload Photo, Registration Submit/Satisfaction Survey, Payment, applying for CMU account

The second section contains 7 steps to complete the registration process.

- The completed steps will appear in a green.
- Steps that have not yet been completed will appear in a red.

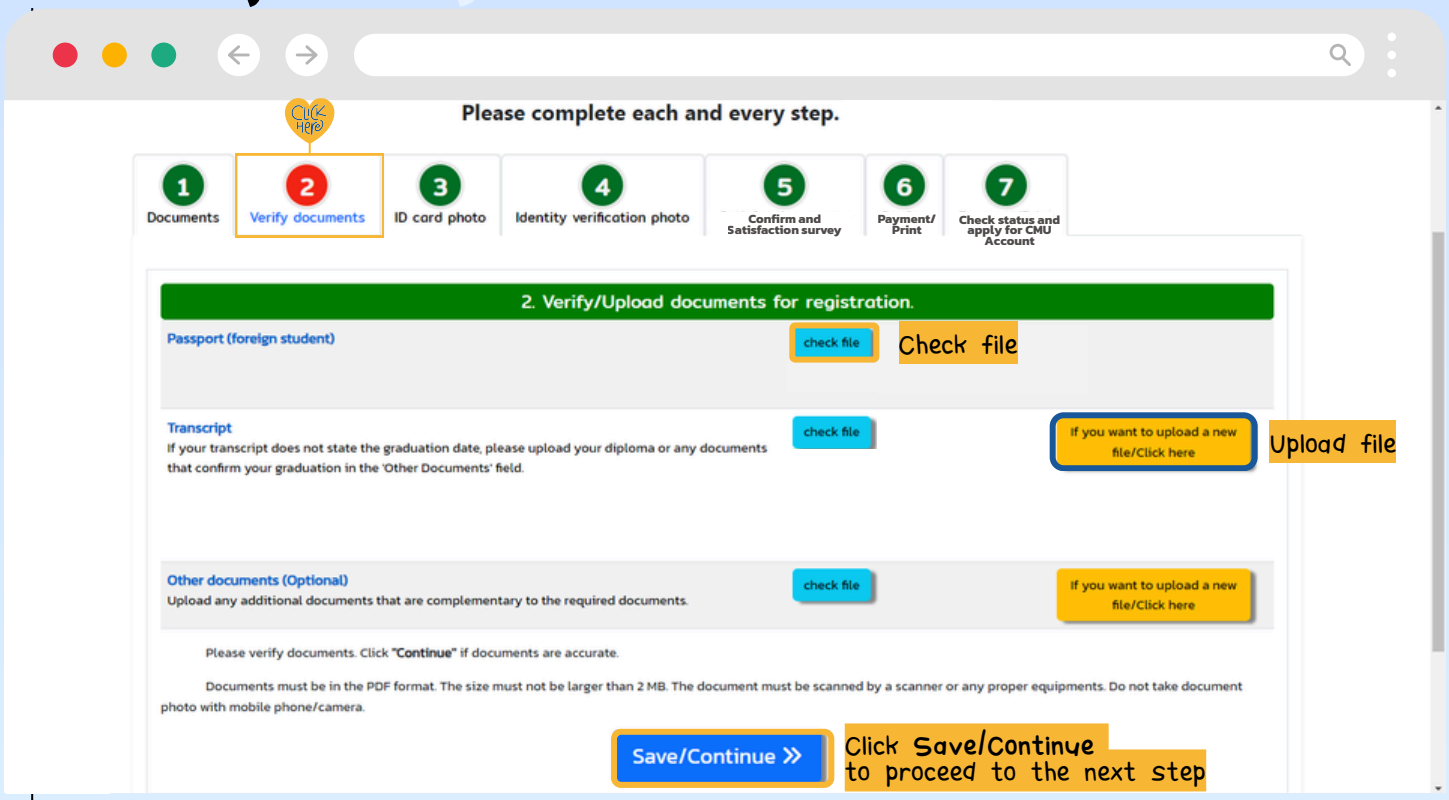

1.Document

Students must specify the type of transcript, whether it is a completed transcript or a transcript without a graduation date. The selected type must match the transcript uploaded to the system in the next step.

Click **"Save Data/Next Step"** to proceed to Step 2.

2.Verify Document

Students must upload the required registration documents, such as an ID photo, transcript, and other supporting documents. The transcript must be uploaded in PDF format, while the ID photo must be in JPG or PDF format. All files must not exceed 2 MB.

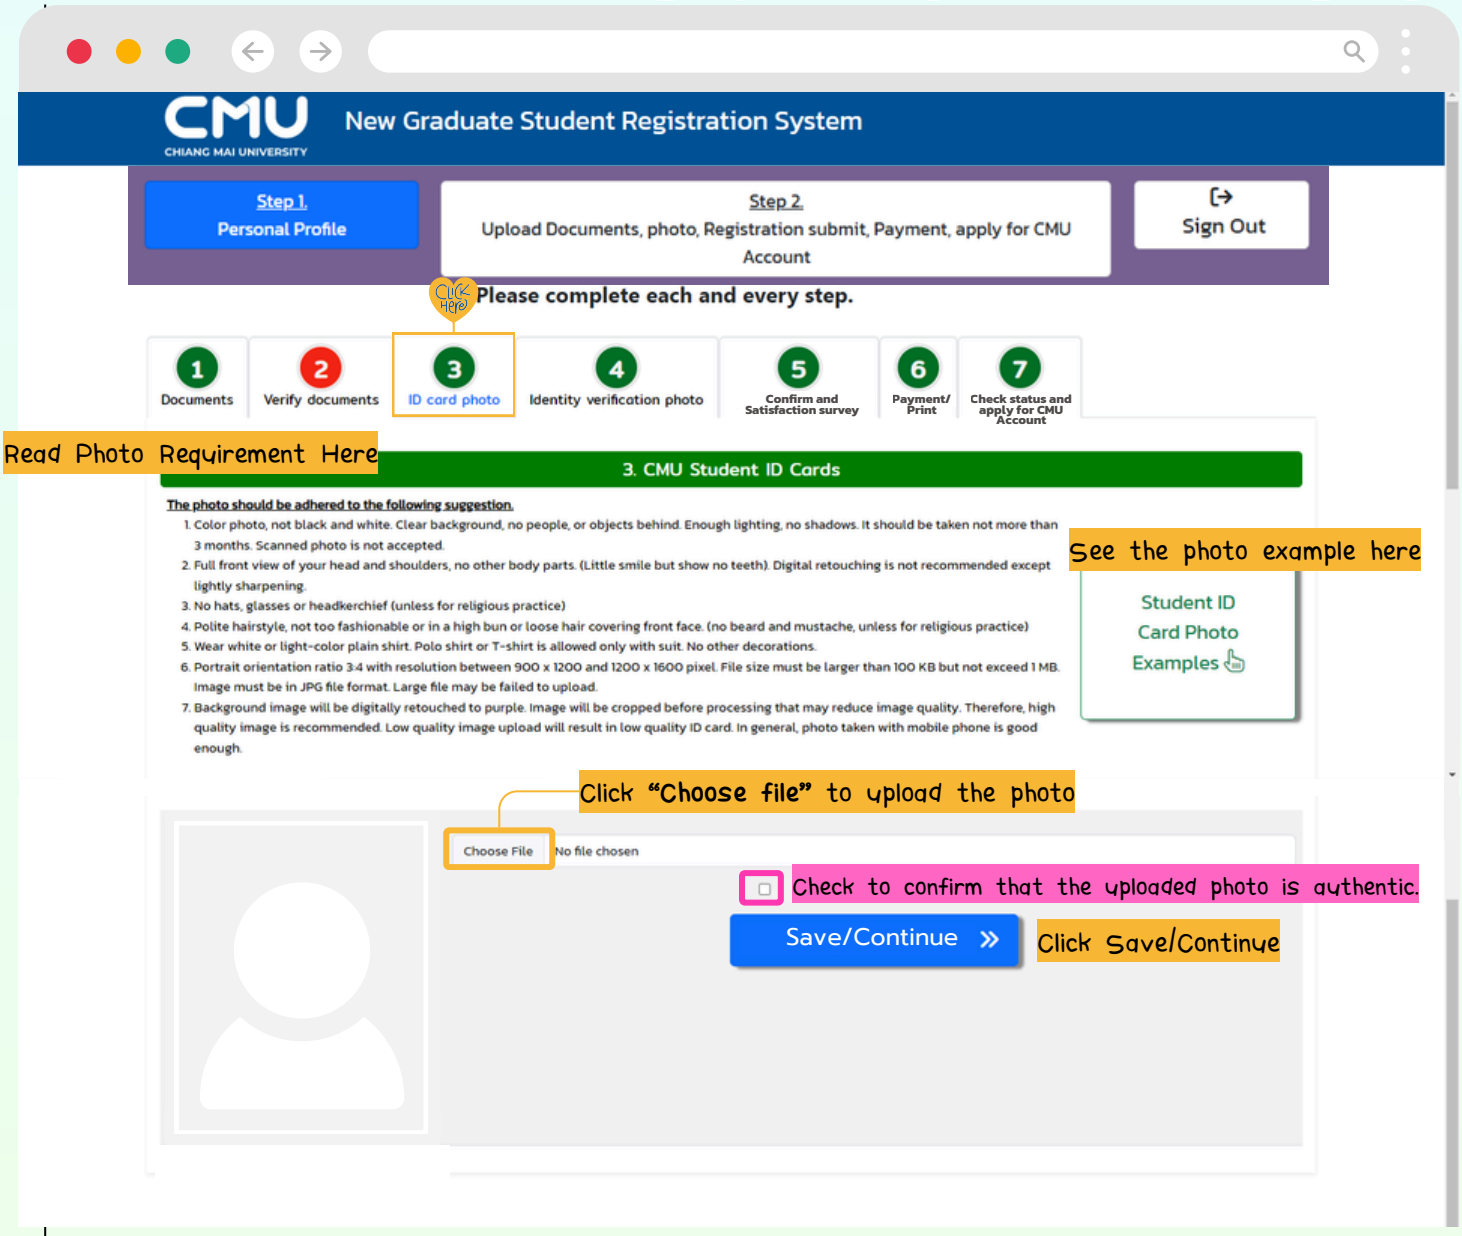

After uploading, students can click “Check File” to verify whether the uploaded documents are correct and complete.
If a new file needs to be uploaded, click the same yellow button used for the initial upload.

If the file size is too large, students can click the purple link below the Save button to compress the file before uploading it to the system.

Click **“Save.”**

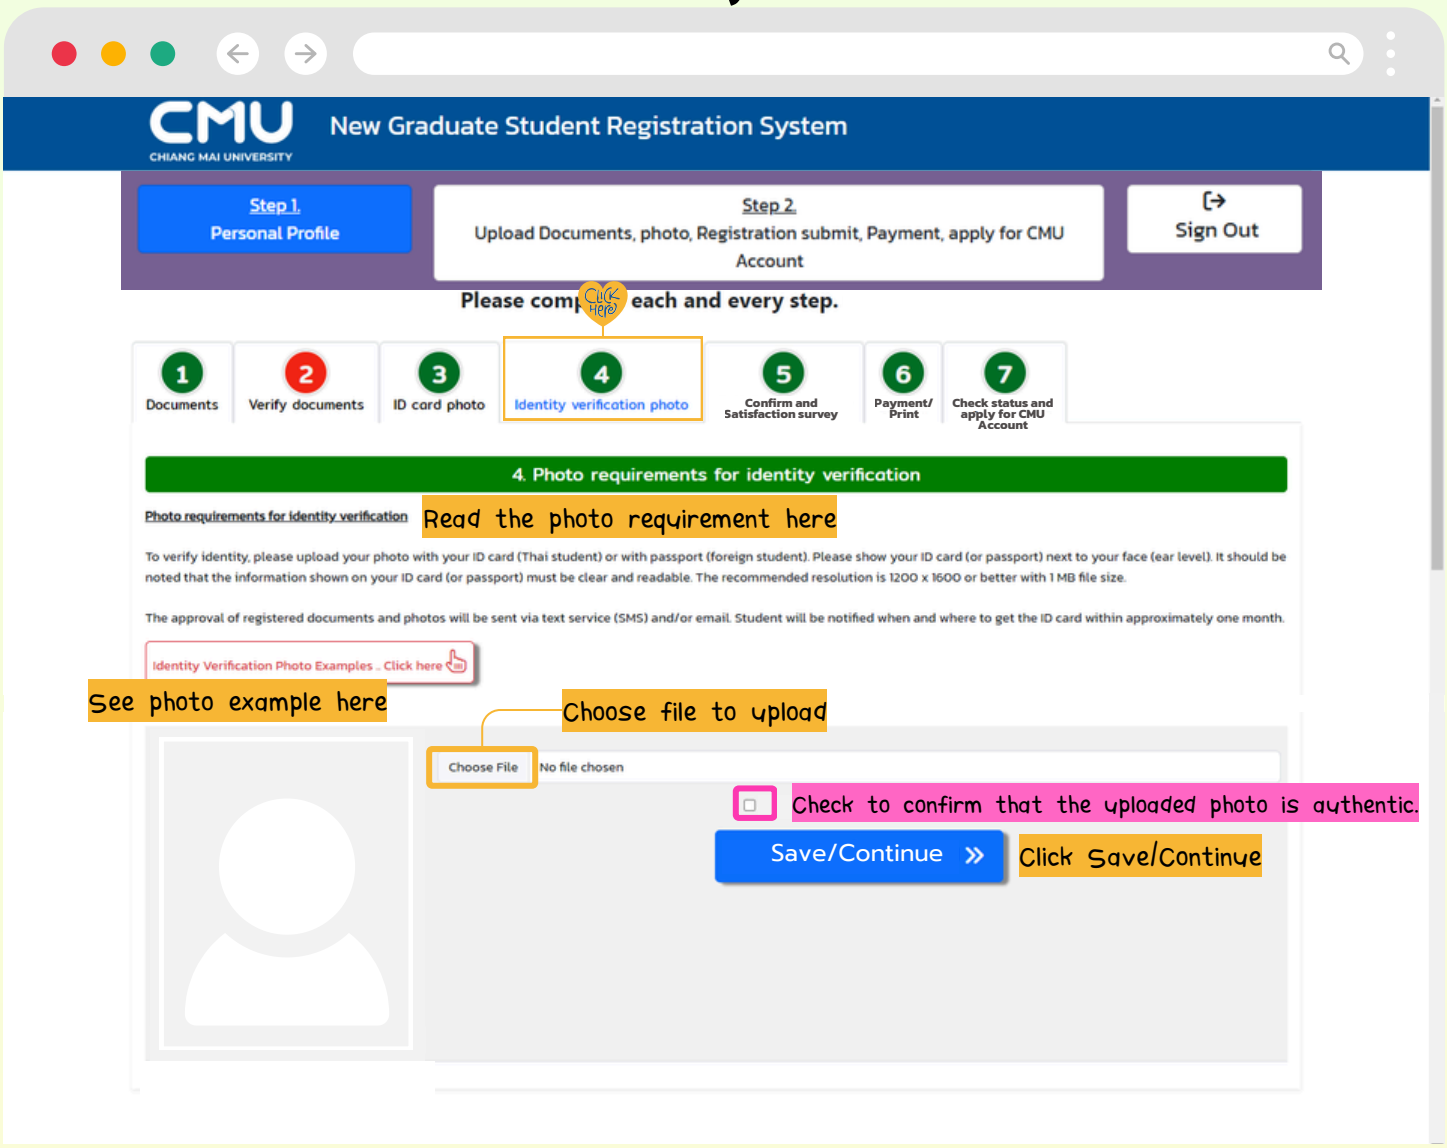

3.ID Card Photo

Students must upload a photo that meets the photo requirements specified at the beginning of Step 3. The uploaded photo will be used for the student ID card.

Click **"Save."**

4.Identity Verification Photo

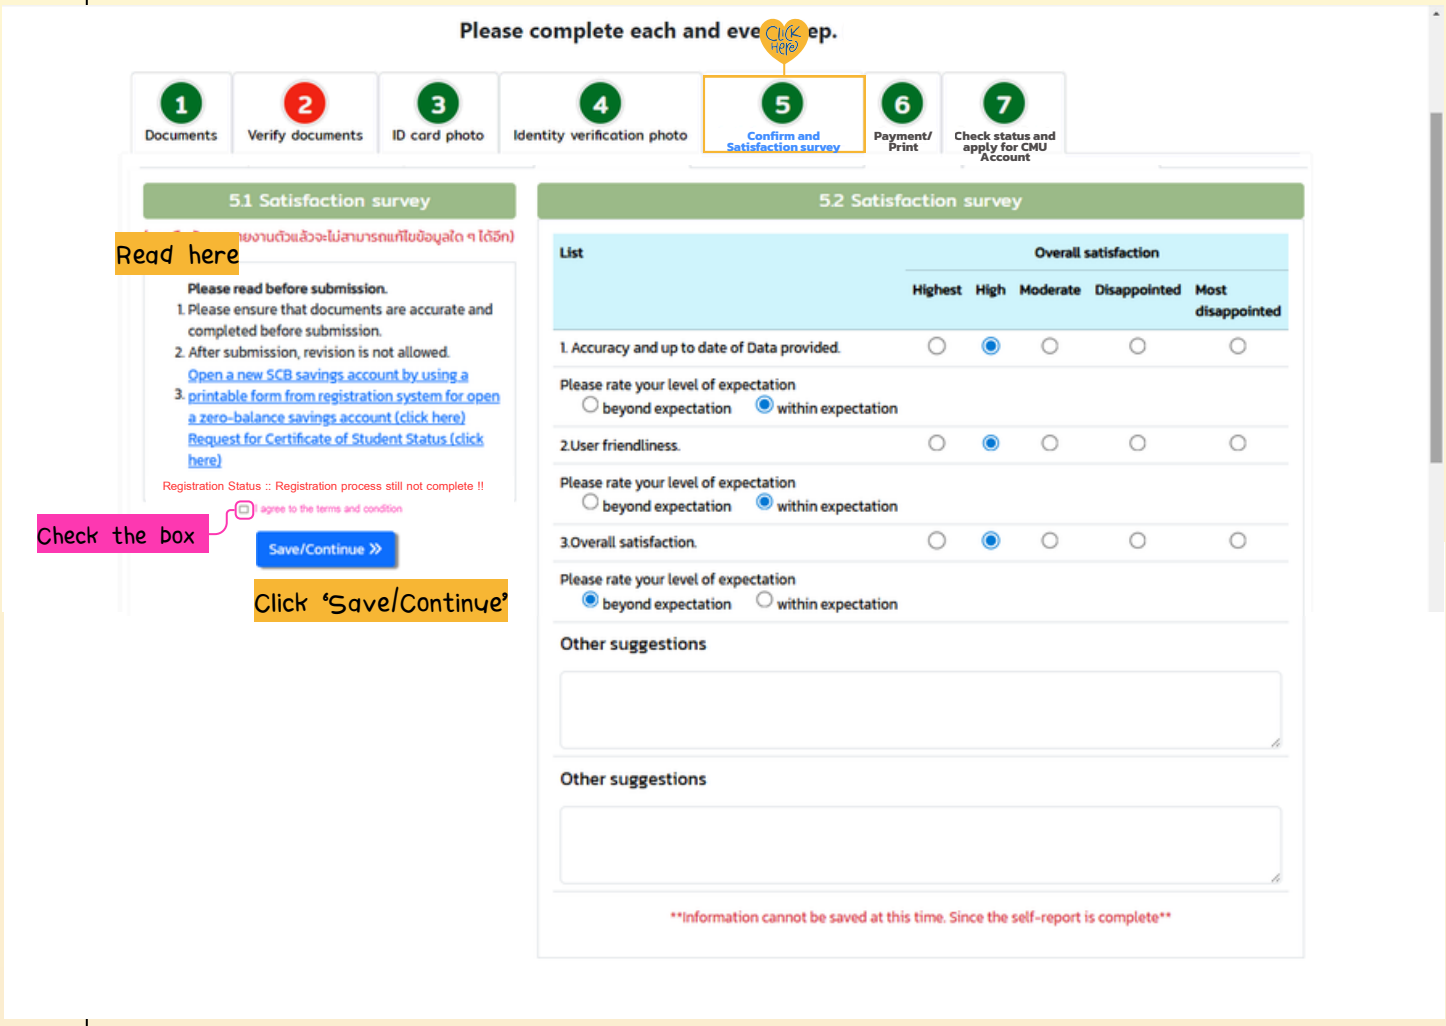

Student has to upload photo that will be used for identity verification by taking photo of themself with theirs passport

The photo that will be use must follow the photo requirement mentioned in the first part of the process

After complete uploaded, click **Save/Continue**

5.Confirm and Satisfaction Survey

Please read and fully understand the information in Section 5.1 before agreeing to the terms and conditions and clicking “Confirm Registration.”

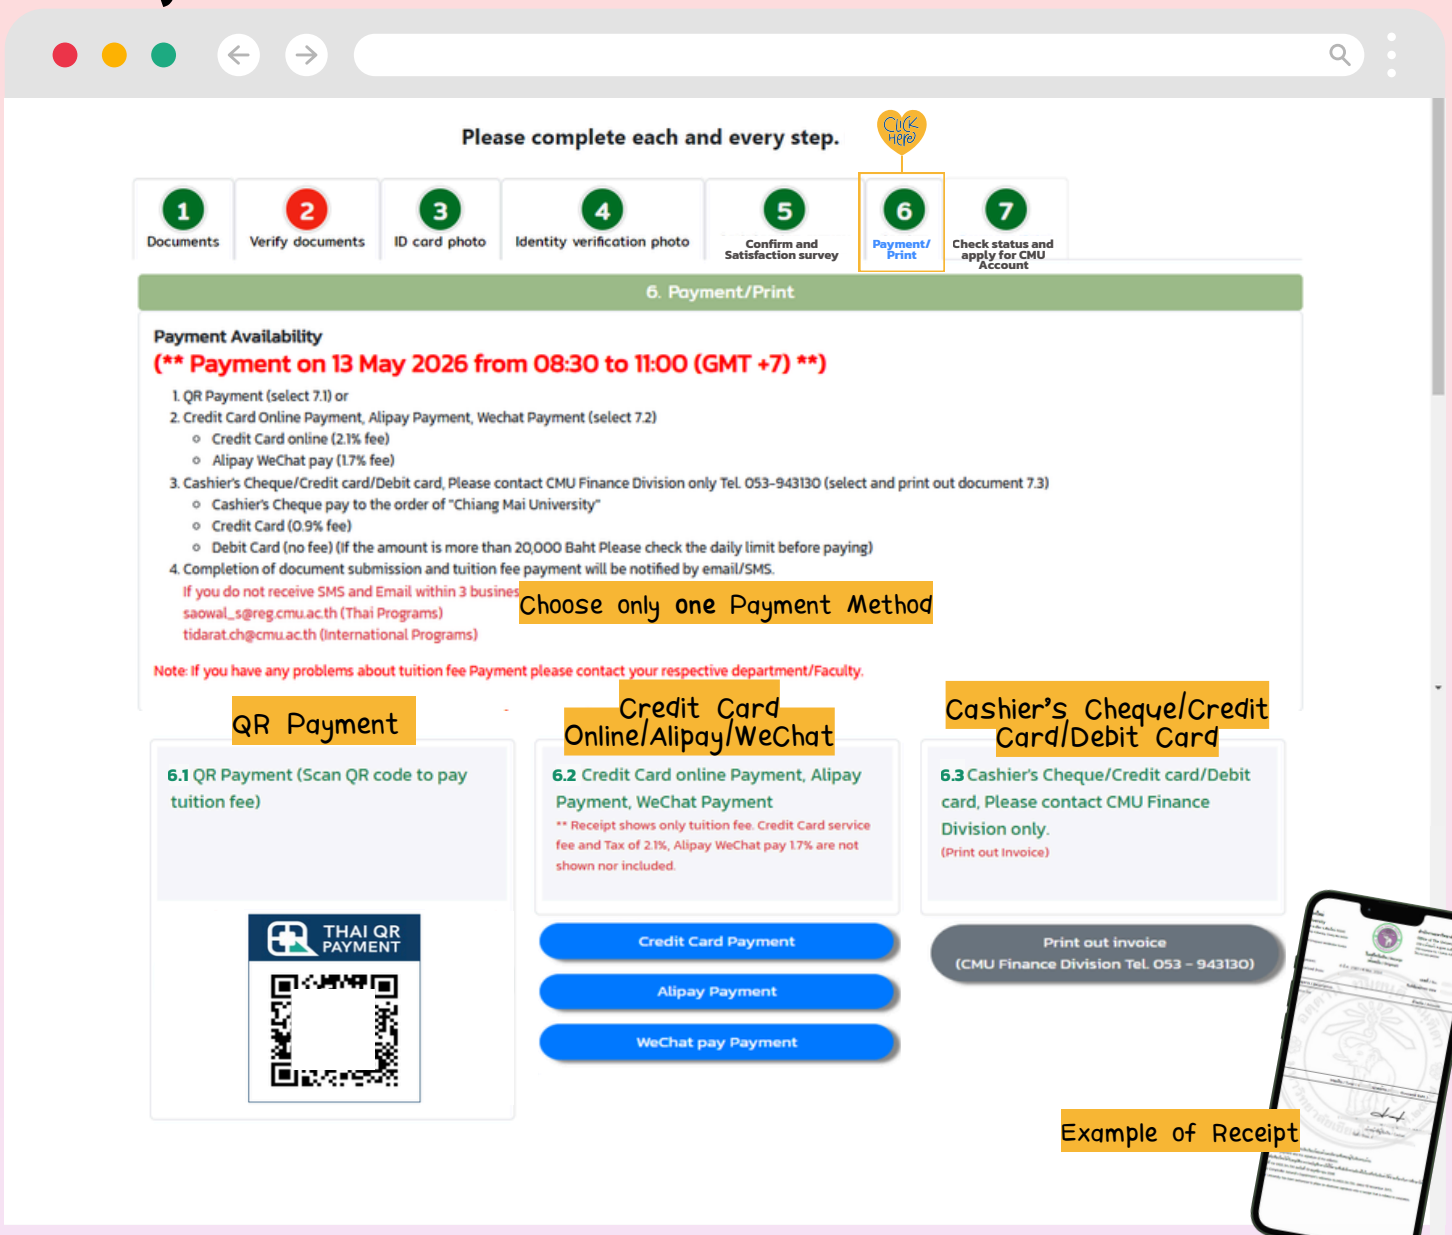

Once completed, the registration status will change to “Congratulations, the new student registration process is completed.”

Students may print the form for contacting Siam Commercial Bank (SCB) to receive the privilege of opening a zero-fee bank account.

After that, please complete the satisfaction survey in Section 5.2 and provide suggestions regarding the registration process or website (if any).

Click “Save.”

6.Payment/Print

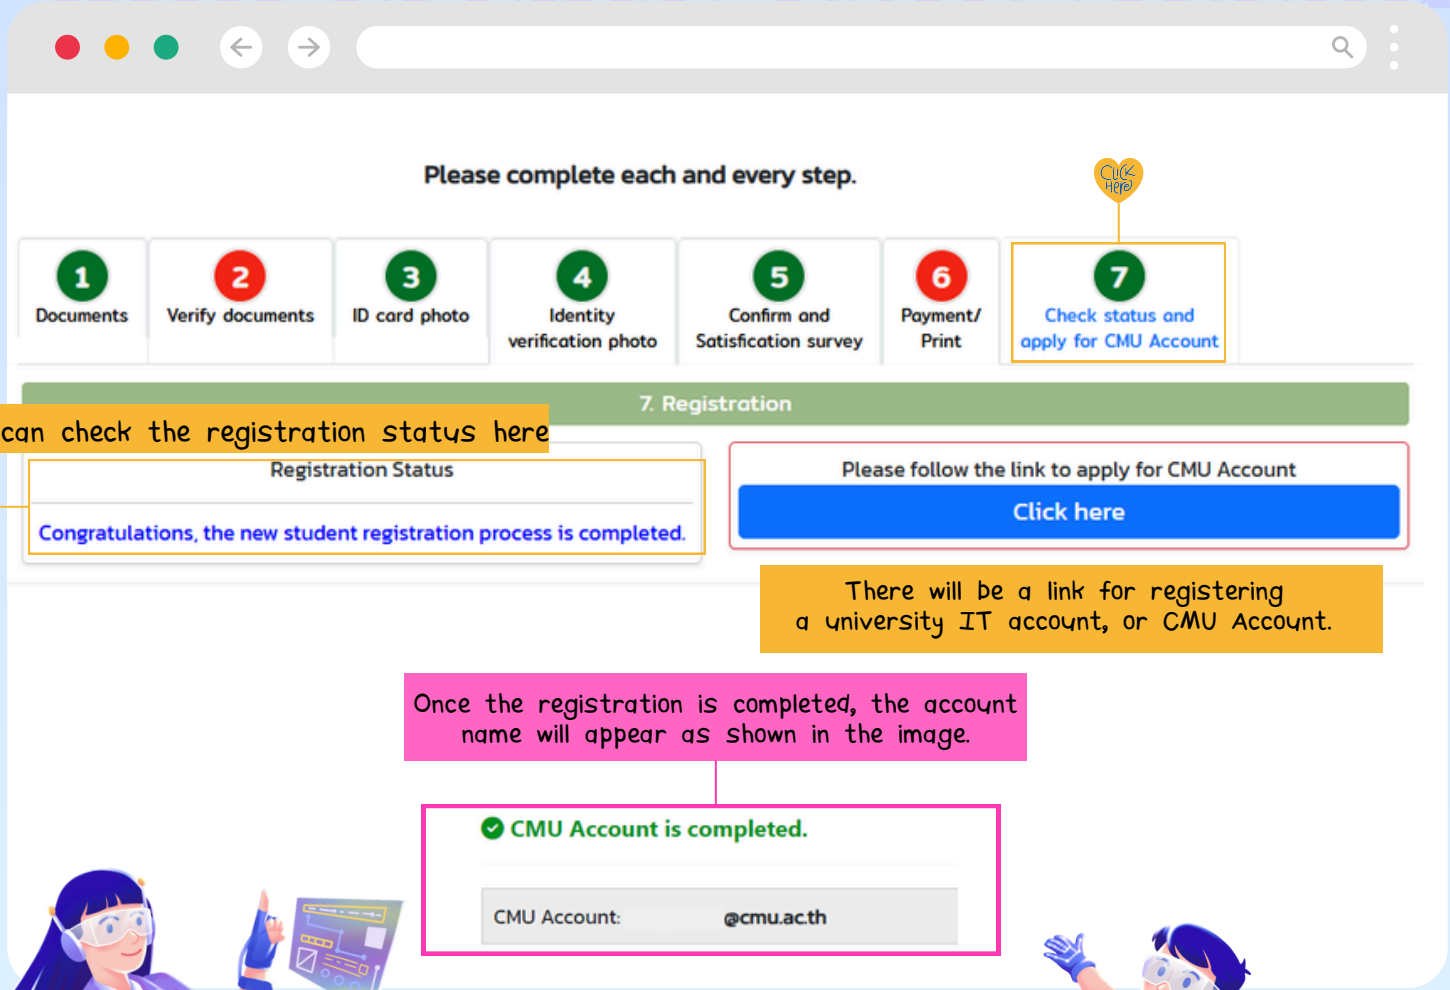

Before making the payment, please read the payment instructions and printing guidelines carefully. Students must select only one payment method.

Print out Receipt

After payment, you can print the receipt and keep it as proof of payment.

7. Check status and create CMU Account
