Photo Requirements For CMU Student ID Card And For Identity Verification

For Graduate Students

REG Registration Office Chiang Mai University

Graduate Admission Chiang Mai University

Photo Requirements For CMU Student ID Card

1. Recent color photograph with a plain background. Ensure adequate lighting with no shadows, and no people or objects visible in the background. Scanned photos are not accepted.

2. The photograph must show a full front view of the head and shoulders only, with a neutral expression or slight smile (no visible teeth). Digital retouching is discouraged, except for minor sharpening.

3. No hats, glasses, jewelry, or head coverings, except those worn for religious purposes.

4. Hair should be neatly styled and not cover the face. Avoid high buns or overly elaborate hairstyles. Beards and mustaches are not permitted, except for religious purposes.

5. Wear a plain white or light-colored shirt. Polo shirts and T-shirts are permitted only when worn with a suit jacket. No accessories or decorative items are allowed.

6. Upload a portrait-oriented JPEG photo (3:4 ratio) with a resolution of 900 × 1200 to 1200 × 1600 pixels. File size must be 100 KB–1 MB. Files exceeding 1 MB may fail to upload.

*Click at requirements number 1-6 to see picture examples.

Student ID Photo Requirements

Suggestion

The submitted photo will be cropped to the required dimensions and the background will be replaced with a purple color before being used for the student ID card. As a result, image quality may be slightly reduced during processing. Students are therefore encouraged to submit a photo that meets the specified requirements to ensure the clearest possible image on the ID card. In general, photos taken with a smartphone are of sufficient quality and can be used.

Identity Verification Photo Requirements

For identity verification purposes, students must submit a front-facing photo of themselves holding their national ID card, or a passport in the case of international students.

The ID card or passport must be held at ear level, and all details on the document must be clearly visible and legible.

Recommended image size: 1–2 MB, 1200 x 1600 pixels or above.
You can use your phone camera.
